Our Sponsor Scheme

Sponsorship is a great way to help Greyhound Trust Hall Green if you can't adopt a Greyhound yourself OR is a great gift for an animal lover.

Sponsorship starts from as little as £3 per month per hound (£36 per year). You can, of course, give more if you wish or pay a lump sum by cheque to Greyhound Trust Hall Green for a year's sponsorship.

It costs the Trust over £5000.00 per month to look after the greyhounds in our care and your sponsorship will help us buy food, treats, toys and essential equipment as well as helping to pay for veterinary treatment for our "Forever" foster hounds who have special needs.

At Greyhound Trust Hall Green we believe there is a home for every hound.

However, some homes can take a little longer to find than others especially for hounds who maybe a little older, or who need that extra bit of care, so sponsorship of one of our hounds or kennels can assist to look after them until their "forever home" is found.

We hope you like our new selection of hounds, some are in foster care, while others are in 'Forever Homes'.

As a Sponsor, you will receive:

- 🐾 Certificate and small gift from your chosen hound each year you renew.
- 🐾 Updates on your hound and the Trust's progress.
- 🐾 Kennel Sponsors will receive news about the kennels and ongoing kennel life.
- 🐾 All Sponsors are welcome to contact the Trust (0121-426-4810) to arrange to meet their special hound or visit our kennels to see the work we are doing.

Meet Our Sponsor Greyhounds

Tara

Tara was born on 25th March 2011. She wasn't great on the track so she retired early at just 2 years of age. Tara lives with one of our volunteers and her canine brother Milo. Earlier this year Tara was diagnosed with a liver problem, which requires ongoing treatment, and also renal failure needing both medication and a special diet. Tara loves lots of fusses, and really enjoys playing with her brother and her cuddly toys.

Gandalf

Gandalf joined Greyhound Trust Hall Green when he retired in July 2019, at the age of 5. He has found it difficult to adapt to life after racing, and finds other dogs very stressful to cope with. After a few false starts, he moved in with one of our volunteers, where he is now fostered for life. He is working daily on overcoming his fears, with the help of his new canine companions. He would love to spend your foster money on his favourite treats, as well as his Adaptil collars that help him stay calm.

Frazer

Frazer was born on the 12th of December 2011 and can be found at many Hall Green events throughout the year where he will gladly lean on you for a fuss and a hug, he is one big soft love sponge of a Greyhound!

Frazer has a condition that has caused him to have a number of strokes but thanks to intensive rehabilitation and Physio treatment Frazer is currently enjoying his life (and hugs!).

Teddy

Teddy was born August 2010. Having a short racing career has not stopped his love of running, in fact he spends many a day with a cuddly toy in his mouth running around the garden, and if he can't find a toy, his tail does quite nicely! Teddy has a slight limp due to an injury so has monthly massage treatments as well as hydrotherapy to keep him fit and happy. He is a 'Pets as Therapy' hound and already visits Nursing Homes, Hospices and Schools.

Ruby

Ruby was born in September 2016 and after a short but successful racing career was retired due to having episodes of collapsing. More recently she has been found to have neurological problems with her legs and feet. Her health conditions are being managed and she is having an interesting life on her terms.

She is a kind and loving dog who loves fuss and will often touch your hand with her nose and lick you, she is cheeky and will nick a scarf and run off with it! Ruby is still learning to socialise.
