Sponsor a Greyhound

Greyhound Trust **DREAM**

Our Sponsor Scheme

Sponsorship is a great way to help Greyhound Trust Hall Green if you can't adopt a Greyhound yourself or a great gift for an animal lover.

Sponsorship starts from as little as £3 per month per hound (£36 per year). You can, of course, give more if you wish or pay a lump sum by cheque to Greyhound Trust Hall Green for a year's sponsorship.

It costs the Trust over £1,000 per month to look after the greyhounds in our care and your sponsorship will help us buy food, treats, toys and essential equipment as well as helping to pay for veterinary treatment for our "Forever" foster hounds who have special needs.

At Greyhound Trust Hall Green we believe there is a home for every hound.

However, some homes can take a little longer to find than others especially for hounds who maybe a little older, or who need that extra bit of care, so sponsorship of one of our hounds or kennels can assist to look after them until their "forever home" is found.

We hope you like our new selection of hounds, some are in foster care, while others are in 'Forever Homes'.

As a Sponsor, you will receive:

- 🐾 Certificate and small gift from your chosen hound each year you
- 🐾 Updates on your hound and the Trust's progress.
- 🐾 Hall Green sponsors will get updates on how the branch is operating.

Monty

MONTY WAS BORN 26TH AUGUST 2016 AND HAS BEEN IN A HOME FOR 7 YEARS. MONTY HAS AN EYE CONDITION WHICH IS CAUSING AN ELEMENT OF BLINDNESS AND NEEDED TO BE IN A HOME WHERE SOMEONE WAS THERE ALL THE TIME. Thankfully we have been able to find the perfect place for him to be looked after whilst we assess his long term medical needs. So for now we will have Monty as a sponsor hound as we are not sure what financial support is going to be required.

Dream

Dream was born on the 1st July 2019. She arrived at Hall Green after she was retired without fully racing because she used to turn in the traps.

Subsequently established Dream had a number of complications which required some extra care and attention and we made the decision it was best to get her out of kennel environment and in to a long term foster.

Dream enjoys life and is made comfortable with specialist diet and medication to control pain and discomfort

Sammy

Sammy came in to care in August on an emergency as his owner was sadly in hospital and he was home alone. Unfortunately his owner had not been able to properly care for him for some time and he came to us in need of some urgent TLC.

He got settled in to a new home and with a slight increase in his weight we were able to get some urgent dental work completed

His owner sadly passed away and with the support of the Trust we decided he should have no more upset and we will provide all the support for his care as our new Sponsor Hound

Sammy is doing really well and enjoying life in Derbyshire

Hall Green

By sponsoring Hall Green you can help the greyhounds in our care, because every penny goes to help greyhounds who need medical intervention, specialist foods or behavioural help This ensures we have the funds to help these greyhounds find a new forever home
